### 校長的話

親愛的家長：

疫情的關係，幼兒在下學期一段頗長的時間需要在家學習。直至5月初，各級才陸續重返校園。然而，老師仍努力為幼兒預備不同的活動，相信透過閱讀這份第二期的【家園同心】電子刊物，家長亦能感受到孩子在學習過程中的喜樂。孩子需要透過不同的感官去探索世界，包括：味覺、觸覺、視覺、聽覺和嗅覺，因此，各級老師亦悉心為幼兒預備不同的活動，時而玩沙、時而玩水，更會與孩子一起製作食物等，這都是他們的第一身經驗。相信，這亦是孩子在校園裡的珍貴片段。暑假快將開始了，家長不妨好好善用這個假期，帶孩子到沙灘或大自然走走，滿足他們的好奇心之餘，亦可讓他們親身發現大自然的奧妙！

Due to COVID-19, children had to do home-learning for a long period of time in the second term of school and only managed to return to school until the beginning of May. During the home-learning period, teachers worked hard to prepare a variety of activities for the students. I believe that through the second issue of "Scholars' Scoop", parents could feel their children's joy of learning. Children need to explore the world through their senses. Hence, all teachers meticulously prepared different activities for the students, such as playing with sand or water, making food together etc. The summer holiday is about to begin. Parents could make good use of this time to take the children to the beach or explore nature. Not only does this satisfy their curiosity, but let them discover the wonders of nature!

耶和華造天、地、海，和其中萬物；祂守誠實，直到永遠。（詩篇 146:6）

He is the Maker of heaven and earth, the sea, and everything in them- he remains faithful forever. (Psalms 146:6)

# 「親子共讀」獎勵計劃

## Parent and Child Reading Scheme

「親子共讀」是一個鼓勵家庭進行閱讀的活動，閱讀就像一把開啟知識殿堂的鑰匙，亦是家長給孩子最棒的禮物。有見及此，本園已於聖誕節及復活節假期間舉行了「親子共讀」獎勵計劃，並頒贈禮物給已閱讀一定數量繪本的幼兒以作鼓勵。本園希望藉著共讀繪本的時間，增強親子的溝通、了解及培養幼兒閱讀繪本的好習慣。

Parent-child reading is a family reading activity. It is like a key to open pandora box of knowledge and it is also a wonderful gift from parents to their children. Last Christmas and Easter holidays, our school organized the "Parent-Child Reading Scheme" Reward Program to encourage children who have read a certain number of books with gifts. The School would like to promote reading habit in the family to enrich the communication and understanding between parents and children. This will also cultivate children's good reading habit too.
